

Dear Jay,

Thank you for your help. I truly appreciate you adding all of our club locations to your list of companies for employment and internship opportunities for your current students. Below I listed the location of your school and then below it, I listed the club locations that would be close to that school. I have listed the address and phone number of that club. I will be the point of contact, though, for each of your school locations. Here is my contact information:

Our company website is

The link to look for job opportunities is
www.lifetimefitness.com/careers

I would also like to request a list of graduates from each of your school locations listed below. The graduate list will be used for employment purposes only.

Again, thank you for your help. It is great that you work hard to help your students find job opportunities after their certification.

Make it a great day,

Amber Goetz
